

## Statement of Environmental Policy

Binns Fencing Limited is the leading installer of security fencing for H.M. Prison Service and has also carried out contracts for numerous Government Departments, Local Authorities, Utilities, Leading Contractors and Industrial Firms throughout the United Kingdom.

Operating from our modern factory in Potters Bar, we can survey, advise on design; develop, manufacture and install a fence, gate or barrier solution for any type and size of site and for any level of security.

We are committed to working to minimise the environmental impact of our fencing installation activities.

It is the policy of Binns Fencing to:

- ✓ Comply with appropriate environmental legislation;
- ✓ minimise the volume of pollutants created;
- ✓ minimise the waste we generate;
- ✓ dispose of our waste in a considerate manner;
- ✓ maximise the amount of material we are able to re-cycle;
- ✓ continually improve our environmental performance
- ✓ review and revise this policy as business circumstances change.

The Directors will ensure that:

- ✓ this policy is understood by all members of staff and those working within our premises and for us as sub-contractors;
- ✓ establish and monitor appropriate environmental objectives.
